GUEST SPEAKER:

We are pleased to announce that Kirk Fiehler will join us as our Guest Speaker! Kirk is a long-time friend of the SBR Women of Action, and we look forward to his discussion regarding the importance of local government involvement and the differences in various positions (e.g., Legislative Districts and Congressional Districts). Kirk is a Constitutional Conservative and is a Pinal County Precinct Committeeman and is District Chairman of PC District 10. Kirk will discuss his experiences in running for state office as well. He believes in limited government, securing our Southern Border, ensuring election integrity, keeping taxes low, defending our Constitutional freedoms, and promoting a strong economy within Arizona.

We feel it is important to note that everyone is welcome to listen and engage with our speakers each month. We encourage anyone that wants to learn about the various levels of local, state, and federal government in Pinal County to attend. We will learn together!
